GROUP BOOKING POLICY

Group booking discounts of 20 or more are available by prior arrangement. A completed booking form must be received at least 72 hours prior to the session to receive group booking rates. Discount group booking rates are \$7 adults and children. All tickets must be paid for on arrival at the cinema in a single payment by cheque or credit card. If an invoice is required for payment by EFT this must be arranged 24 hours prior to the screening. See note below.

Private Screenings and Community Fundraising

Majestic Cinemas is pleased to assist local community groups with fundraising. Such groups are charged a flat fee for the use of the cinema and charge a higher ticket price to raise funds. Generally a lead time of 4 weeks is required to adequately prepare for an event such as this. The bulk of the work is in promoting the event through print and radio and distributing posters and flyers. We ask that all groups provide someone to collect their tickets at the door and to be on site at least one hour prior to the screening to sell any remaining tickets if required.

The flat fee will vary depending on you group requirements, please ask us for a quote.

Please note that it is the policy of Cinema Management that outside food and drink is **not** permitted into the Cinema Centre without written permission.

School bookings

In addition to the conditions described above, accompanying teachers will be admitted to the Cinema without charge. This may mean that a seat cannot be provided.

We reserve the right to decline bookings. Conditions are subject to change without notice. Please do not hesitate to contact us if you require further information. Bookings are not confirmed until the booking is confirmed by Cinema Staff.

For all bookings, a \$100 booking fee is required at the time of booking. This will be deducted from your overall payment.

An administration fee of 5% will be charged to all groups requiring an invoice. This is refunded when paid within 7 days of the date of issue.
